

Teamlists dating back to the 1880s through tot 1980, where the current games tally was started.

This was recorded from the newspapers, much like the other document. As such, I can't guarantee accuracy. Also, primarily only A grade was listed. I can't be sure it lists every game everyone played, because the information comes from the papers (and later, budgets), so games may be missing and it may favour goalkickers and best players.

A hard copy can be read at the club.

- Team list
- Forfeit, or didn't play.
- ✓ In team-list / known to have played
- ✓ In best players
- 2, 1 etc = goals
- K (etc) Opponents in finals
- YP ✓ Assoc. game.
- B Played in 'B' Grade.
- X Didn't play.

These lists are compiled from team-lists, etc in local papers or, in more recent times, budgets, etc. Its highly likely teams would've often changed due to late withdrawals, etc.

Names often changed with nicknames, etc, often causing confusion - (i.e, G M Smith as 'J'-Joe). The Claytons born before WWII, Hopkins c 1920s-30s are just a few.
