# Football Update

## On-field updates

Going into the inter-league bye the A Grade “character building” beltings continue. Yet the players continue to hit the track and build their skills up. They are improving, and their endeavor isn’t in question. The coaches and club are still committed to building a sustainable and successful side based around local players. The aim in 2025 is to improve the current squad’s skill and recruit high quality players for 2026. Lower grades continue to find positives - the Ressies have great player numbers, and both colts grades have healthy numbers and even better results.

## Local Player Incentive

The club has introduced a small incentive payment for local players who make the bests list each week.

## Special General Meeting

The club welcomes Craig Fletcher and Scott Mumford in as dual Vice Presidents.

After the SGM 2 new Life Members were nominated and accepted.

Jason Niotis

Andy West

## Reversible Guernsey

The club is investigating the possibility of having reversible guernseys next season. A home side and away side.

## Player Life Membership

Similar to many other clubs. From 2026 onwards we will have Player Life Membership (separate from Life Membership). Which would recognize long service of 150 games or 10+ years service. More to come.

# Juniors Update

## On-field updates

Both colts sides continue to be successful.

The u17s side sits undefeated at the top of the ladder, even after facing some difficult competition in Kadina and Moonta.

Special mention to Mitch Miller for getting in the best players 6 times out of 6, and Riley Miller 5 times out of 5.

The u14s are also undefeated despite losing many players going up to u17s.

Hunter Mumford is leading the u14s league goal kicking, and got in the best players 5 times out of 5. Austin Miller is also 7 from 7 in the bests.

We have received good work from other clubs with how the colts sides are willing to fairly share players when other sides are short.

## Congratulations

To Hunter Mumford for School Sports SA u15's team. They are set to play in Moreton Bay Queensland late July.

Hunter Mumford and Aussie Miller for being selected in the u15s YPFL side.

Mitch Miller, Riley Miller, Tyson Grey, Cohen Mummery, Hunter Wellgreen, and Brodie Hines for YPFL u17's squad selection. Out of them, Mitchell Miller, Riley Phelan, Hunter Wellgreen, Cohen Mummery, and Tyson Grey made the final team – Brodie Hines and Riley Miller out injured – and Mitchell Miller getting YPFL Best u17.

The pre-1980 records were lost in a fire. It is certain players from before then would make this top 10 list.

Scattered A Grade records can be gained from old newspaper copies, a yearly summary of which is on a document on the club website.
