RECORD OF WALLAROO FOOTBALL CLUB

Early Notes

12/6/1867 Meeting to form club

17/6/1867 "A meeting for forming a football club was held at the Globe on Monday evening (17/6/1867). About a dozen members joined and paid their subs. A first rate ball had been obtained from Adelaide and after the meeting some of the members enjoyed the fun of giving it a few preliminary kicks. As it had been raining during the evening, one of the players came to grief on the slippery ground and "bit" - not the dust, but the mud... presenting a funny appearance on regaining his feet. The first match will be played on Thursday afternoon (20/6/1867) on the ground West of Mr Shepherdson's house" H.D. Holmes, Secretary.

29/4/1876 Opening game

Possibly the first truly organized match to be played on V.P. took place at Wallaroo on Wednesday, June 21st, 1876 near the Fuse Factory (later to become the Bond Hall) in the vicinity of Mr Shepherdson's home by the railway line to Kadina. Pre-match publicity attracted a large crowd, including many members of the fairer sex, who were entertained by the Kadina Brass Band while the teams disrobed in specially erected tents. There was even a liquor booth! The Wallaroo team was; - J Beeton (c), S Smedley, W E Allen, J Binbeck, P Walsh, R Hall, A Hongenberger, J S Woodroffe, G Chatfield, D Bews, J Sellors, A Brooks, W J Pellew, J W Cogan, W Cogan, E Morden, J Merton, F Rhodes, A Word.

Wallaroo 2 goals defeated Moonta nil. A return match was quickly arranged at Moonta's home ground - situated a mile South-West of the township (see attachment). There was talk of "a decider", but no report was found.

Wallaroo Oval.

In the early years Wallaroo played home matches near the Fese Factory, later to become the site of the Bond Hall near the Kadina railway line.

In late 1885 the Wallaroo Cricket Club initiated moves to lease parklands between the old gaol and Cornish Street. A committee was appointed to look into the matter and in June, 1886, a meeting of Wallaroo ratepayers proposed that 10 acres of parklands be set aside for recreation purposes and in October it was proposed that a lease be granted at 1/- per year for 21 years.

Tenders for fencing the proposed area closed on 21/7/1886, as did tenders for ploughing, levelling, harrowing, rolling and clearing the 6½ acres in question. C Goodfellow won the ploughing contract & £717/6d,

- JSweeney's bid of \$91/9/- for fencing (6-foot railings, to be completed in 3 weeks) won out. Wallaroo C.A. gave \$40/- to be spent on the ground and the cricket club applied to build a weather-board dressing room in Sept, 1886. The new oval was opened on 9/11/1886 with a cricket match between Wallaroo and Snowdon on the asphalt pitch.

In April, 1887, WFC sought permission to train on the ground and for members to be admitted free on match days. On 15/3/1888 WFC was granted permission to practise and play matches on Wallaroo oval with free admission for members - $\frac{1}{3}$ of gate-takings to be retained by WFC. By June, 1887, a training and dressing shed had been built and football had a new home.

The Yorke Peninsula Football Association

After years of debate, five clubs - Wallaroo, Moonta, Cross Roads, Wallaroo Mines (Kadina) and Moonta Mines Turfs - found common ground and formed the YPFA at a meeting held at Moonta on 20/3/1888. East Moonta joined the following year making six clubs, a number never exceeded.

With a downturn in mining from the 1890's, teams come and went, especially at Moonta. A second team from Kadina, Federal Ravens, joined in 1907 to keep the competition viable with four teams until the end of 1926. With Ravens demise the Association had to look outside the 3 towns for the first time and in 1927 Parkville joined briefly. They were replaced by Boks in 1930, but by 1935 Kadina, Moonta and Wallaroo were forced to combine seniors and juniors to manufacture two week sides from each town.

The YPFA went into recess in 1936, following a trend around the country with money short and workers laid off. With the neighbouring Yorke Valley FA also facing recess, the SANFL stepped in and Maitland, Cunnamulla and, later, Androsson and Port Victoria, joined until War interrupted.

After the War, the YVFA reformed as did the YPFA comprising Moonta, Kadina, Wallaroo and Parkville. This is how matters stayed until the end of 1960.

Disputes over umpiring in 1894 came to a head in 1895 and Wallaroo Mines pulled out (Teams appointed their own umpires at this time) Continuing troubles with East Moonta's umpire saw Moonta and Wallaroo pull-out mid season. A composite team, named "Rainbows" because they used Wall Mines red, white, blue and black

uniform, comprising men working a game joined mid-season. East Moonta were

declared premiers, but at least one premiers list shows 1895 "Abandoned".

After months of wrangling it was hoped the season would be brought to its conclusion with the final match. Firstly, however, the unfinished match of May 21st had to be finished. Everyone expected Wallaroo to hang onto

their 4 point lead with less than a minute to go. This would bring the two teams level on 24 premiership points each and so the scheduled match would decide the premiership. Over 1300 people attended - 350 by special train and another 200 by other means from Wallaroo. Confusion again reigned when umpire Matthews didn't turn-up, but the teams finally agreed to complete the May 21st fixtures and, as expected, Wallaroo hung on to win. The late match lived up to expectations and when the bell rang it seemed Wallaroo had won by a point. In another twist, however, the two goal umpires couldn't agree on the scores! A hastily arranged meeting finally decreed the match a draw which meant a Premiership Play-off would be required for the first time.

Wallaroo, however, refused to accept the ruling and on the 8th of October the Tunks ran onto Kadina Showgrounds and won the 1898 premiership by default as Wallaroo refused to play.

WALLAROO JUNIOR CLUBS

"Junior" teams quickly became part of YP football with clubs such as "Wallaroo Perseverance FC" forming and being allowed 25 players when playing the Senior clubs 20. An Association was formed in 1900 but quickly lapsed. Another season was played in 1907, but it wasn't until 1911 that the Keelina & Wallaroo JFA was formed with a separate competition at Mount although, at times, some Mount clubs did play. These teams comprised many young players as well as older men and could be thought of as a combined Colts and B Grade. Age restrictions were applied in the 1930's and eventually the smaller independent clubs were replaced by B Grade sides from the major towns in 1947 with Colts following in 1952.
